Are you or someone you know interested in volunteering as a coach for YMCA Youth Sports? The YMCA relies exclusively on volunteers from the community to help support and guide our participants as coaches. Please contact Youth & Sports Coordinator, Brennan Splain at 777-6035 to find out more about exciting volunteer opportunities.

The YMCA Mission:

To put Christian principles into practice through programs that build healthy spirit, mind, and body for all.

The YMCA has been teaching children how to be safe in, on and around water for over 100 years.

Learning to swim is an important step in any child's life and at the YMCA we make sure it is an impactful part of their growth and development. Teaching character values and water safety is our mission through the swim lesson program.
